Artificial Intelligence:

Exploring Opportunities and Challenges Across Art, Business,
Education, and HR

BUDAPEST METROPOLITAN UNIVERSITY invites international coordinators and university staff to participate on its international staff training week: **Artificial Intelligence: Exploring Opportunities and Challenges Across Art, Business, Education, and HR** in Budapest between **December 9–13, 2024**.

The purpose of the event is to share experiences, exchange good practices and ideas, strengthen international communication skills and develop partnerships between universities. We also provide opportunities for our incoming professionals (teachers) to hold lectures at our faculties (teaching mobility options.)

REGISTRATION FEE IS €100 (non-refundable). Please note that selected participants will be informed regarding payment details after selection.

Expenses regarding your visit (including flight tickets, accommodation, and daily allowance) should be covered either by your institution (Erasmus+ budget or another form of institutional budget) or by yourself.
