

HORIZON

GRADUATE PROGRAM

At Euronet, we believe in technology as an enabler of change and growth. We are passionate about innovation that supports expansion through new products and new markets around the world, with a human-led and tech-powered approach. We always cater for the needs of businesses and consumers as they evolve in a very dynamic and changing payments landscape.

The Horizon Graduate Program is an initiative of Euronet in Greece to invite University graduates to join our company for an initial period of 7 months, under a paid employment contract. You will work as an integral part of our teams, under the leadership of experienced managers that value your work and solve meaningful problems. Upon completion of this initial period, the opportunity for an open-ended employment will be offered for selected candidates that showcase excellence and wish to work in a multinational organization.

Career opportunity: Graduate Program – ATM Operations

We are currently offering an opportunity in **ATM Operations**, a core business unit ensuring that our ATM services are at high quality levels, required for our customers.

Responsibilities you will be involved with:

- ATM network monitoring to ensure operations optimization and uneventful transactions.
- Be part of the support team for the on-site engineers/technicians and guide them in resolving daily issues, while meeting target service level agreements (SLAs).
- Cooperate with the sales team regarding network maintenance and new installations.
- Communicate with clients as needed.
- Organize and monitor ATM inventory and relevant data (back office).

Studies and knowledge required:

- Ability to work under tight deadlines, delivering high-quality results on time.
- Fluency in Greek and English, both verbal and written.

Competencies needed for you to be successful:

- Strong interpersonal skills with an orientation towards customer service.
- Analytical and problem-solving skills & ability to prioritize tasks.
- Self-motivation and teamwork spirit.

We offer:

- Competitive compensation
- Private medical insurance program
- Possibility for a career in a growing, international environment

- Opportunities to learn and participate in various projects

If you are passionate about how ATM operations and technology can fuel innovation in managing payments and fostering business excellence, if you want to work in a multinational, multidisciplinary environment with open opportunities for international mobility, you are welcome to contact us!

Ready to kickstart your career's journey with **Euronet's Horizon Graduate Program?**

We are waiting for your CV and contact, at HRGR (hrg@euronetworldwide.com) mentioning the position **Horizon Graduate Program – ATM Operations** on subject line. We will contact all qualified candidates. Looking forward to receiving your message and meeting you in person!

About Euronet

Starting in Central Europe in 1994 and growing to a global real-time digital and cash payments network with millions of touchpoints today, Euronet now moves money in all the ways consumers and businesses depend upon. This includes money transfers, credit/debit processing, ATMs, point-of-sale services, branded payments, currency exchange and more. With products and services in more than 200 countries and territories provided through its own brand and branded business segments, Euronet and its financial technologies and networks make participation in the global economy easier, faster and more secure for everyone.

A leading global financial technology solutions and payments provider, Euronet has developed an extensive global payment network that includes 55,292 installed ATMs, approximately 949,000 EFT POS terminals and a growing portfolio of outsourced debit and credit card services which are under management in 67 countries; card software solutions; a prepaid processing network of approximately 766,000 POS terminals at approximately 348,000 retailer locations in 67 countries; and a global money transfer network of approximately 595,000 locations serving 198 countries and territories. Euronet serves clients from its corporate headquarters in Leawood, Kansas, USA, and 67 worldwide offices. For more information, please visit the company's website at www.euronetworldwide.com.
