<b>COURSE WEBSITE (URL)</b>	<a href="https://eclass.unipi.gr/courses/OEP480/">https://eclass.unipi.gr/courses/OEP480/</a>		

## 2) LEARNING OUTCOMES

### Learning Outcomes

Upon successful completion of the course, students will have:

- Combined theoretical studies with application in the workplace to solve business problems, which contributes to a better assimilation of scientific knowledge
- Acquired professional experience that allows for the strengthening of their CV and the development of maturity regarding their future choices for studies and/or employment
- Familiarized themselves with real working conditions
- Prepared themselves for assuming positions of responsibility in the future
- Acquired additional skills, e.g. communication, networking, problem solving through teams
- Familiarized themselves with modern production and management technology
- Developed a communication channel with the labor market

### General Competences

- Adapting to new situations
- Decision-making
- Team working
- Working in an interdisciplinary environment
- Development of free, creative and inductive thinking
- Internship in host institutions

## 3) SYLLABUS

The Department of Economics of the University of Piraeus, in its effort to offer its students both excellent theoretical training and work experience, has included in its curriculum the Internship program, which:

- It is 3 months long, full-time and takes place in the months of June-July-August or July-August-September
- It takes place in companies and organizations (host institutions) that run departments related to economics

**4) TEACHING and LEARNING METHODS**

<b>DELIVERY</b>	-	
<b>USE OF INFORMATION AND COMMUNICATION TECHNOLOGY</b>	-	
<b>TEACHING METHODS</b>	<b>Activity</b>	<b>Semester workload</b>
	Total	125
<b>STUDENT PERFORMANCE EVALUATION</b>	<p>The Internship is carried out with the physical presence of the interns in the collaborating host institutions (companies, organizations, etc.). The Internship is carried out Monday-Friday according to the working hours of the host institution (up to 8 hours per day on a five-day basis).</p> <p>The evaluation is carried out by the respective Scientific Director of the program and is based mainly on the evaluation reports sent by the host institutions regarding the performance of the interns.</p>
